Spring, 1948

Dear Friend,

GOOD NEWS FROM VICK'S WILDGARDENS!

In spite of inflation and rising prices, there will be NO increase in the cost of your wildflowers, ferns, shrubs, and trees this Spring. For this reason, and as another economy measure to keep costs (and prices) down, we are not issuing a new 1948 catalog. 1947 catalogs are available if needed.

To help you balance the family budget—a difficult feat these days—we are making special offers on the following popular wildflowers and ferns:

No. 1 COLLECTION (Spring)	No. 2 COLLECTION (Summer)	No. 3 COLLECTION (Autumn)
2 Jacob's Ladder	2 Blue Lobelia	2 New England Aster
2 Hepatica	2 Spiderwort	2 Cardinal Lobelia
2 Blue Phlox	2 Partridge Berry	2 Blind Gentian
2 Galax	2 Wild Senna	2 Solomon's Seal (false)
2 Wild Ginger	2 Christmas Fern	2 Virginia Creeper
2 Ebony Spleenwort Fern	2 Hayscented Fern	2 Evergreen Woodfern

- 1 or more of the above Collections..... \$2.50 per Collection
- 6 to 11 of ANY of the above plants—mixed or otherwise..... 25c each
- 12 or more of ANY of the above plants—mixed or otherwise..... 22c each

All of the above plants are listed in our catalog at 30c each.

Orders for these special offers must be received at Narberth on or before June 15, 1948. You may mail them at once—we will ship them at the proper planting time. For your convenience, we are enclosing an order blank which may be folded into a postage-free envelope.

Any of the other plant material listed in our catalog may be ordered at this time, at the prices quoted therein. You may be interested to know that cultural directions are now sent with each order.

Thank you in advance for your valued order. May it bring you much pleasure.

Sincerely,

*Albert F. W. Vick, Jr.*
